

Nar Can DO It Privacy Policy for Survey Participation

Welcome to our survey! We value your privacy and are committed to ensuring your information is protected. Please take a moment to review our privacy policy regarding the data collected through this survey.

No Collection of Personal Identifying Information

We want to assure you upfront: this survey does not collect any personal identifying information. Your anonymity is guaranteed, and you can respond freely without concern for your privacy.

Purpose of Data Collection

The information gathered through this survey is intended solely for the purpose of identifying gaps in care and resources within our community. By understanding these areas better, we aim to improve our services and meet the needs of those we serve more effectively.

Participants Under 18 Years of Age

If you are younger than 18 years of age, please have a parent or guardian complete this form on your behalf. We appreciate their assistance in ensuring that your responses are submitted appropriately.

Data Use and Protection

All responses are analyzed in aggregate form, meaning individual responses are never singled out. This approach ensures your input remains confidential and is used exclusively for enhancing our understanding of community needs.

Legal Compliance and Ethical Standards

We adhere to all relevant legal requirements and ethical standards in the collection and use of survey data. Your participation is completely voluntary, and you are free to withdraw at any time. Rest assured, your privacy is our priority, and we are dedicated to maintaining the highest standards of data protection.

Thank you for contributing to the betterment of our community through your participation in this survey. Your insights are invaluable in helping us improve and deliver better care and resources.
